

**LEGAL NOTICE**

**STATE OF LOUISIANA, OFFICE OF CONSERVATION, BATON ROUGE, LOUISIANA.**

In accordance with the laws of the State of Louisiana, and with particular reference to the provisions of Title 30 of Louisiana Revised Statutes of 1950, a public hearing will be held in the Hearing Room, 1st Floor, LaSalle Building, 617 North 3rd Street, Baton Rouge, Louisiana, at 9:00 a.m., on **TUESDAY, MARCH 26, 2002**, upon the application of **KASH OIL & GAS, INC.**

At such hearing the Commissioner of Conservation will consider evidence relative to the issuance of an Order pertaining to the following matters relating to the **Amph 5 Sand, Reservoir A**, in the Theall Field, Vermilion Parish, Louisiana.

1. To reestablish rules and regulations and to recreate a single drilling and production unit for the exploration for and the production of oil and gas from the Amph 5 Sand, Reservoir A, said unit to be designated AMPH 5 RA SUA. This unit was terminated by Supplement to Order No. 367-H, effective April 3, 2001, under provisions of Statewide Order No. 29-L-2. Production has been reestablished in the original unit well, the Kash Oil & Gas - S Hebert No. 1 (Section 36, Township 13 South, Range 2 East) which tested at the rate of 3 barrels of oil per day.
2. To force pool and integrate all separately owned tracts, mineral leases and other property interests within the proposed unit with each tract sharing in unit production on a surface acreage basis of participation.
3. To provide that any future wells, replacement and/or alternate unit wells drilled to the Amph 5 Sand, Reservoir A, should be exempt from the spacing provisions of Statewide Order No. 29-E.
4. To authorize the Commissioner of Conservation to reclassify the reservoir by supplemental order without the necessity of a public hearing if the producing characteristics of the reservoir change and evidence to justify such reclassification is submitted to and accepted by the Commissioner of Conservation.
5. To consider such other matters as may be pertinent.

The Amph 5 Sand, Reservoir A, in the Theall Field, Vermilion Parish, Louisiana, was previously defined by Office of Conservation Order No. 367-H, effective July 22, 1987, as being that oil and gas bearing sand encountered between the depths of 10,216' and 10,335' (ELM) in the Kash Oil & Gas, Inc. (formerly Ohio Oil Co.) - S Hebert No. 1 Well, located in Section 36, Township 13 South, Range 2 East.

A plat is available for inspection in the Office of Conservation in **Baton Rouge** and **Lafayette**, Louisiana or may be found at the following site:
